

## Fill in the gaps

Let it go	Let it go
Let it go	Let it go
Can't hold you back anymore	Can't hold you back anymore
Let it go	Let it go
Let it go	Let it go
Turn my back and slam the door	Turn my (4) and slam the door
The snow blows white on the mountain tonight	And here I stand
Not a footprint to be seen	And here (5) stay
A kingdom of isolation	Let it go
And it looks like I'm the Queen	Let it go
The wind is howling like the swirling storm inside	The (6) never bothered me anyway
Couldn't keep it in, heaven knows I tried	Standing (7) in the life I've chosen
Don't let them in, don't let them see	You won't find me
Be the good girl	The (8) is so behind me
You always had to be	Buried in the snow
Conceal, don't feel	Let it go
Don't let them know	Let it go
Well, now they know	Can't hold you back anymore
Let it go	Let it go
Let it go	Let it go
Can't hold you back anymore	Turn my back and slam the door
Let it go	And here I stand
Let it go	And here I'll stay
Turn my back and slam the door	Let it go
And here I stand, and here I'll stay	Let it go
Let it go	The cold never (9) me anyway
Let it go	Let it go
The cold never bothered me anyway	
It's funny how some distance	Here I'll stay
Makes everything (1) small	Let it go
And the fears that once controlled me	Let it go
Can't get to me at all	
Up here in the cold (2) air	Let it go
I finally can breathe	
I (3) left a life behind	
But I'm to relieved to grieve
