Kissin U by Miranda Cosgrove

Sparks fly, it's like electricity

I might die when I forget how to breathe

You get closer and there's nowhere

In this world I'd rather be

Time (1)_____ like everything around me

It's frozen and nothing (2)_____ but these

Few moments when you open

My mind to things I've never seen

'Cause when I'm kissing you my senses come alive

Almost like the puzzle piece I've been trying to find

Falls right into place, you're all that it takes

My doubts fade (3)_____ when I'm kissing you

When I'm kissing you it all starts making sense

And all the questions I've been asking in my head

Like are you the one?

Should I really trust?

Crystal clear it becomes when I'm kissing you

Past loves, they never got really far

Walls up, made sure I guarded my heart

And I promise I wouldn't do this

'Til I knew it was right for me

But no one, no guy that I met before

Could make me feel so right and secure

And have you noticed I lose my focus?

And the world around me disappears

'Cause when I'm kissing you my senses come alive

Almost like the puzzle piece I've been trying to find

Falls right into place, you're all that it takes

My doubts fade away when I'm kissing you

When I'm kissing you it all starts making sense

And all the questions I've been asking in my head

Like are you the one?, Should I really trust?

Crystal clear it becomes when I'm kissing you

I've never (4)_____ nothing like this

You're making me open up

No point (5)_____ trying to fight this

It (6)_____ feels like it's love...

'Cause when I'm kissing you my senses come

Almost (7)_____ the puzzle piece I've (8)_____

trying to find

Falls right into place, you're all that it takes

My doubts fade (9)_____ when I'm kissing you

When I'm kissing you it all starts making sense

And all the questions I've been asking in my head

Like are you the one?

Should I really trust?
