

Dreams that mean can be good

Fill in the gaps

I watch it all change	Faith to (5) as we should
Take the news of the day	And (6) we're all connected
And throw it away	We give ourselves the power
Time (1) kill all the pain	Stay strong
Fate will cure the decay	Stay true
Of all this blind ambition	Be brave
The (2) brings us together	It all comes (7) to you
Stand up	Every day that you wait
Aim true	You're falling faster
Keep heart	No sleight of hand
The future looks to you	No twist of fate
Every second you throw away	No ever after
Every minute of everyday	When it's gone, it's gone
Don't get caught in a memory	A fight 'til the bitter end
'Cause life won't wait for you	Life won't wait for you
No, life won't (3) for you	No, (8) won't (9) for you
My friend	My friend
I'm (4) the change	Life won't wait for you my friend
Who will carry the flame	Life won't wait for you my friend
It all feels very strange
