

## Fill in the gaps

May our hearts be full (1) our drinks tonight
May we sing and dance till we lose our minds
We are only young if we seize the night
Tonight we own the night
Tonight we own the night
(La la la la la la)
(La la la la la la)
When my (2) is over, lying in my grave
Written on my tombstone, I want it to say
This man was a legend, a legend of his time
When he was at a party
The party never died
(Hey)
Everybody's got a (3) so what do you say?
Are we (4) history?
May our hearts be full like our (5) tonight
May we sing and dance (6) we lose our minds
We are only young if we seize the night
Tonight we own the night
Tonight we own the night
(La la la la la la)
(La la la la la la)
For tonight I'm famous
For tonight im king

And I will be remembered
For centuries of sand
This man was a hero
A hero of the night
When he was at a party
The party never died
(Hey)
I'm a little drunk but I got (7) to say
May our hearts be full like our drinks tonight
May we sing and dance till we lose our minds
We are only young if we seize the night
Tonight we own the night
And let us wake up in studded (8) bed
Let the drinks (9) in until nothing left
And this night my friends we will not forget
Tonight we own the night
Tonight we own the night
May our hearts be full (10) our drinks tonight
May we sing and dance till we lose our minds
We are only young if we seize the night
Tonight we own the night
Tonight we own the night
