

## Fill in the gaps

## We Own The Night by The Wanted

May our hearts be (1) like our (2)	And I will be remembered
tonight	For centuries of sand
May we sing and dance till we lose our minds	This man was a hero
We are only (3) if we seize the night	A hero of the night
Tonight we own the night	When he was at a party
Tonight we own the night	The party never died
(La la la la la la)	(Hey)
(La la la la la la)	I'm a little drunk but I got something to say
When my (4) is over, lying in my grave	May our hearts be full (8) our drinks tonight
Written on my tombstone, I want it to say	May we sing and (9) till we lose our minds
This man was a legend, a legend of his time	We are (10) (11) if we
When he was at a party	(12) the night
The party never died	Tonight we own the night
(Hey)	And let us (13) up in (14)
Everybody's got a (5) so what do you say?	(15) bed
Are we making history?	Let the drinks comes in until (16) left
May our hearts be full like our drinks tonight	And this (17) my friends we will not forget
May we sing and dance till we (6) our minds	Tonight we own the night
We are only young if we (7) the night	Tonight we own the night
Tonight we own the night	May our (18) be full (19) our drinks
Tonight we own the night	tonight
(La la la la la la)	May we sing and dance till we lose our minds
(La la la la la la)	We are only (20) if we seize the night
For tonight I'm famous	Tonight we own the night
For tonight im king	Tonight we own the night

## 1. full

- 2. drinks
