

Hide us in shadows

## Fill in the gaps

You (1) that the fog is here omnipresent	Unfathomable, wall-less maze
When the diseases sees no cure	A secular haze
You know (2) the fog is here omnipresent	He is (13) omniscient
When the (3) (4) obscure	Seeing the world (14) (15) spite
Forevermore	The surge of (16) oblivious
Weave us a mist	To the (17) whom (18)
Fog weaver	light
Hide us in shadows	Let (19) be night
Unfathomable wall-less maze	Weave us a mist
A secular haze	Fog weaver
You (5) his son is near omnipotent	Hide us in shadows
When she (7) eye to eye (8) spears	Fog weaver
You (9) that his son is (10) omnipotent	Come mist eternal
When (11) and (12)	
disappear	Come (20) eternal
Forever lost	
Weave us a mist	Come secular haze
Fog weaver
