

Was a long and dark December
From the (1) I remember
There was snow
White snow
Clearly I remember
From the windows they were watching
While we froze down below
When the future's architectured
By a carnival of idiots on show
You'd (2) lie low
If you love me
Won't you let me know?
Was a (3) and dark December
When the banks (4) cathedrals
And the fog
Became God
Priests clutched onto bibles
Hollowed out to fit their rifles
And the cross was held aloft
Bury me in honor
When I'm dead and hit the ground

Fill in the gaps

A (5) back (6) it unfolds
If you (7) me
Won't you let me know?
I don't want to be a soldier
With the (8) of some sinking ship
With snow, far below
So if you love me
Why'd you let me go?
I took my love down to violet hill
There we sat in snow
All (9) time she was silent still
So if you love me
Won't you let me know?
If you love me,
Won't you let me know?
