## When All Is Said And Done by ABBA

Here's to us	And thanks for all the fun
One more toast	Neither you nor I'm to blame
And (1) we'll pay the bill	When all is (6) and done
Deep inside	It's so strange
Both of us	When you're down
Can feel the (2) chill	And lying on the floor
Birds of passage, you and me	How you rise
We fly instinctively	Shake (7) head
When the summer's over and	Get up and ask for more
The dark clouds hide the sun	Clear-headed and open-eyed
Neither you nor I'm to blame	With nothing (8) untried
When all is (3) and done	Standing calmly at the crossroads
In our lives	No desire to run
We have walked	There's no hurry any more
Some strange and (4) treks	When all is said and done
Slightly worn	Standing (9) at the crossroads
But dignified	No desire to run
And not too old for sex	There's no hurry any more
We're still striving for the sky	When all is said and done
No (5) for humble pie	
Thanks for all your generous love
