

## Fill in the gaps

Can you help me out?	I've wondered if there's something more
Can you (1) me a hand?	Something more
It's (2) to say (3) I'm stuck again	I (16) it's (17) rain like this for days
Trapped (4) (5) life and the light	So let it rain down and wash everything away
I just can't figure out	I hope that (18) the sun (19)
How to make it right	shine
A (6) before	I feel it's going to (20) (21) this
I've wondered if there's something more	Rain like this
Something more	Rain like this
I feel it's (8) (9) like this for days	Fall down
So let it (10) down and wash	Wash (22) my yesterdays
(11) away	Fall down
I (12) that tomorrow the sun will shine	So let the rain fall down on me
With every (13) (14)	I feel it's gonna (23) like this for days
another life	Let it rain down and wash everything away
I feel it's gonna rain	I (24) that tomorrow the sun will shine
For days and days	I (25) it's gonna rain like this
I feel it's gonna rain	Rain like this
I tried to figure out	I feel it's gonna rain (26) this
I can't understand	Rain like this
What it means to be whole again	I feel it's gonna rain like this
Trapped (15) the truth and the	I feel it's gonna rain
consequence	
Nothing's real	
Nothing's making sense	
A thousand times before
