

Fill in the gaps

There's a long black train
Coming down the line
Feeding off the souls that are lost and cryin'
Rails of sin only evil remains
Watch out brother for that (1) black train
Look to the (2) you can (3) to
the sky
You can find redemption (4) back into your
eyes
There is protection and there's peace the same
Burning (5) (6) for (7)
long (8) train
'Cause there's vict'ry in the Lord I say
Vict'ry in the Lord
Cling to the Father and his (9) name
And don't go riding on that long (10) train
There's an (11) on that long black train
Making you wonder if the (12) is worth the pain
He's just a waiting on your heart to say
Let me ride on (13) (14) black train
But you know there's vict'ry in the Lord I say

victry in the Lord
Cling to the (15) and his holy name
And don't go (16) on that (17)
black train
Well I can hear the whistle from a mile away
It sounds so good but I must stay away
That train is a beauty making everybody stare
But its (18) is the
(20) of nowhere
But you (21) there's vict'ry in the Lord I say
Vict'ry in the Lord
Cling to the Father and his holy name
And don't go riding on that (22) black train
I said cling to the Father and his (23) name
And don't go riding on that long (24) train
Yeah (25) out brother for that long
(26) train
That devil's a driving that long black train
