Wake up with blood-shot eyes	I wonder if it even makes a difference
Struggled to memorize	Even (6) a difference to try
Way it felt to hearing lies	Yeah
People that made you cry	And you (7) me how you're feelin'
Feel so good to be bad	But I don't believe it's true anymore, anymore
Not worth the aftermath	I wonder if it even makes a difference to cry
After that, (1) that	So this is goodbye
Try to get you back	I've been here before, one day, a week
I still don't have the reason	And it won't hurt anymore
And you don't have the time	You caught me in a lie, I have no alibi
And it really makes me wonder	The words you said don't have a meaning 'cause
If I ever gave a **** about you	I still don't have a reason
Give me something to believe in	And you don't have the time
'Cause I don't believe in you anymore, anymore	And it really makes me wonder
I wonder if it even makes a difference to try	If I ever gave a **** about you and I
Yeah, so this is goodbye	So this is goodbye
Can't stop my spinning head	Give me something to believe in
Decisions that (2) my bed	'Cause I don't believe in you anymore, anymore
Now I must lay in it	I wonder if it even makes a difference
Deal with things I've left unsaid	Even makes a difference to try
Want to dive into you	Yeah
Forget what you're (3) through	And you told me how you're feelin'
Get behind, make your move	But I don't believe it's true anymore, anymore
Forget about the truth	I wonder if it even makes a difference to cry
I still don't (4) a reason	So this is goodbye
And you don't have the time	So this is goodbye
And it really makes me wonder	Yeah, so this is goodbye
If I ever gave a **** about you	Yeah, so (8) is goodbye
Give me something to (5) in	
'Cause I don't believe in you anymore, anymore
