Wake up with blood-shot eyes	I wonder if it even makes a difference
Struggled to memorize	Even makes a difference to try
Way it felt to hearing lies	Yeah
People that made you cry	And you told me how you're feelin'
Feel so good to be bad	But I don't believe it's true anymore, anymore
Not worth the aftermath	I wonder if it even makes a difference to cry
After that, after that	So this is goodbye
Try to get you back	I've been here before, one day, a week
I (1) don't have the reason	And it won't hurt anymore
And you don't have the time	You caught me in a lie, I have no alibi
And it really makes me wonder	The (4) you said don't (5) a meaning
If I ever (2) a **** about you	'cause
Give me something to believe in	I still don't have a reason
'Cause I don't believe in you anymore, anymore	And you don't have the time
I wonder if it even makes a difference to try	And it really (6) me wonder
Yeah, so this is goodbye	If I ever gave a (7) about you and I
Can't stop my spinning head	So this is goodbye
Decisions (3) made my bed	Give me something to believe in
Now I must lay in it	'Cause I don't believe in you anymore, anymore
Deal with things I've left unsaid	I wonder if it (8) makes a difference
Want to dive into you	Even makes a difference to try
Forget what you're going through	Yeah
Get behind, make your move	And you told me how you're feelin'
Forget about the truth	But I don't believe it's true anymore, anymore
I still don't have a reason	I wonder if it even makes a difference to cry
And you don't have the time	So this is goodbye
And it really makes me wonder	So this is goodbye
If I ever gave a **** about you	Yeah, so this is goodbye
Give me something to believe in	Yeah, so this is goodbye
'Cause I don't believe in you anymore, anymore
