## Heartbreak Girl by 5 Seconds of Summer

You (1) me up	I dedicate this song to you
It's (2) a broken record	The one who never sees the truth
Saying that your (3) hurts	That I can (6) away your hurt
That you never get over him	Heartbreak girl
Getting over you	Hold you tight straight through the day light
And you end up crying	I'm right here
And I end up lying	When you (7) realise
'Cause I'm just a sucker for	That I'm your cure, heartbreak girl?
Anything that you do	I know someday it's gonna happen
And when the phone call finally ends	And you'll finally forget the day you met him
You say "thanks for being a friend"	Sometimes I'm so close to confession
And we're going in circles again and again	I gotta get it through your head
I (4) this song to you	That you belong with me instead
The one who never sees the truth	I dedicate this song to you
That I can take away your hurt	The one who (8) sees the truth
Heartbreak girl	That I can take away your hurt
Hold you tight (5) through the day light	Heartbreak girl
I'm right here	Hold you tight straight through the day light
When you gonna realise	I'm right here
That I'm your cure, heartbreak girl?	When you gonna realise
I bite my tongue	That I'm your cure, heartbreak girl?
But I wanna scream out	I (9) this song to you
You could be with me now	The one who never sees the truth
But I end up telling you what you wanna hear	That I can take away your hurt
But you're not ready	Heartbreak girl
And it's so frustrating	Hold you tight straight through the day light
He treats you so bad	I'm right here
And I'm so good to you it's not fair	When you gonna realise
And when the phone call finally ends	That I'm your cure, (10) girl?
You say "I'll call you tomorrow at 10"
