

### Holy Grail by Jay Z & Justin Timberlake

(Ah)
Blue (1) me to remind you niggas
(Ah) **** that shit you all talk about
I'm the nigga
(Ah)
Caught up in all these lights and cameras
(Ah) but look what that shit did to Hammer (ah)
(God damnit it I like, like)
Bright (2) is enticing
But look what it did to Tyson
All that money in one night
Thirty mil for one fight
But (3) as all the money blows
All the pigeons take flight
**** the fame, keep cheating on me
What I do, I (4) her back
Fool me twice, that's my bad
I can't even blame her for that
Enough to make me wanna murder
Momma please just get my bail
I know nobody to blame
Kurt Cobain, I did it to myself
(Ah)
And we all just
Entertainers
And we're stupid
And (contagious)

Now we all just

Entertainers You take the clothes off my back And I let you You steal the food right out of my mouth And I watch you eat it, I (5)\_\_\_\_\_ don't know why Why our love is so much You curse my name In spite To put me to shame Air all my laundry in the streets Dirty or clean Give it up for fame But I still don't know why Why I love it so much (Yeah) And baby It's amazing I'm in this maze with you I just can't crack your code One day you screaming you love me loud The next day you're so cold One day you here One day you there One day you care You're so unfair Sipping from your cup Till it runneth over (Oh, oh) Holy Grail

Now I got tattoos on my body

Junglés
Psycho bitches in my lobby
I got haters in the paper
Photo shoots with paparazzi
Can't even take my daughter for a walk
See them by the corner store
I feel like I'm cornered off
Enough is enough, I'm calling this off
Who the **** I'm kidding though
I'm getting high
Sitting low
Sliding by in that big body
Curtains all in my window
This fame hurt but this chain works
I think back, you asked the same person
If this is all you had to deal with
Nigga deal (6) it, this shit ain't worth
This light work
Camera snapping, my eyes hurt
Niggas dying (7) where I was birthed
**** your iris and IRS
Get the hell up off of your high horse
You got the (8) that niggas die for
Dry yours
Why you mad, take the good with the bad
Don't throw that baby out with the bath water
You're still alive
Still that nigga
Nigga you survived

You still getting bigger

Nigga living the life

# Fill in the gaps

Myles
Vanilla wafers in a villa
Illest nigga alive
Michael Jackson, Thriller
And Baby
It's amazing I'm in this maze with you
I just can't crack your code
One day you screaming you love me loud
The next day you're so cold
One day you here
One day you there
One day you care
You're so unfair
Sipping from your cup
Till it runneth over
(Oh, oh) Holy Grail
You get the air of my lungs whenever you (9) it
And you take the blade right out of my heart
Just so you can watch me bleeding
I still (10) know why (don't know why)
Why I love you so much
Don't know why
