

Fill in the gaps

I'm not proud, I was wrong	We could use it (yeah)
And the truth is (1) to take	Lessons in love
I (2) sure we had enough	Lost without love
But our (3) went overboard	Lessons in love
Lifeboat lies lost at sea	When will you (15) learn
I've been trying to reach your shore	Lessons in love
Waves of doubt (4) (5) me	When there's nowhere left to turn
All the dreams	Lessons in love
That we were building	Don't let your spirit burn
We (6) fulfilled them	Lessons in love
Could be better	I'll (16) till you return
Should be better	All the dreams
For	That we were building
Lessons in love	(Yeah, yeah, yeah)
For restless eyes	We never lived them
Egos burn	We (17) lose it
And the mould is hard to break	We should use it (for lessons in love)
Now we've waded in too deep	For lessons in love
And (7) is overboard	All the homes
Heavy hearts, (8) words	That we were building
All the (9) I (10) had	We never lived in
Fade like (11) in the sand	Could be better (could be better)
All the homes	Should be (18) (yeah)
That we (12) building	Lessons in love
We never lived in	If we lose
Could be better	The time before us
Should be better	The (19) will (20) us
Lessons in love	(We (21) use it)
If we lose	(We could use it)
The time before us	
The future (13) us	
We should use it
