

Blood stains, ball gowns, trashin' the hotel room

Fill in the gaps

I've never seen a diamond in the flesh		We don't care
I cut my teeth on wedding (1)	_ in the movies	We're driving Cadillacs in our dreams
And I'm not proud of my address		But everybody's (6) cristal, maybach
In the torn up town		Diamonds on your ten piece
No post code envy		Jet planes, islands, tigers on a gold leash
But every song's like gold teeth, grey goose		We don't care
Trippin' in the bathroom		We aren't caught up in your love affair
Blood stains, ball gowns, trashin' the hotel room		And we'll never be royals (royals)
We don't care		It doesn't run in our blood
We're driving Cadillacs in our dreams		That kind of love just ain't for us
But everybody's like cristal, maybach		We crave a different kind of buzz
Diamonds on your ten piece		Let me be your (7) (ruler)
Jet planes, islands, tigers on a gold leash		You can call me Queen B
We don't care		And baby I'll rule I'll (8) I'll rule I'll rule
We aren't caught up in your love affair		Let me live that fantasy
And we'll never be (2) (re	oyals)	(Oh oh oh)
It doesn't run in our blood		We're bigger than we (9) dreamed
That kind of love just ain't for us		And I'm in love with being queen
We crave a different kind of buzz		(Oh oh oh)
Let me be your ruler (ruler)		Life is game without a care
You can call me Queen B		We aren't caught up in your love affair
And baby I'll rule, I'll rule, I'll rule, I'll rule		And we'll never be royals (royals)
Let me live that fantasy		It doesn't run in our blood
My friends and I we've (3)	the code	That kind of love just ain't for us
We (4) our dollars on the tr	ain	We crave a different kind of buzz
To the party		Let me be your ruler (ruler)
And everyone who knows us knows		You can call me Queen B
That we're fine with this		And (10) I'll rule, I'll rule, I'll rule, I'll rule
We didn't come from money		Let me live that fantasy
But every song's (5) gold teet	h, grey goose	
Trippin' in the bathroom		

- 1. rings
- 2. royals
- 3. cracked
- 4. count
- 5. like
- 6. like
- 7. ruler
- 8. rule 9. ever
- 10. baby
