

Fill in the gaps

rm dying to catch my breath	Can you still see the heart of me?
(Oh) why don't I ever learn?	All my agony fades away
I've lost all my (1) though I've surely tried	When you hold me in your embrace
To (2) it around	Don't tear me down for all I need
Can you still see the heart of me?	Make my heart a better place
All my agony fades away	Give me something I can believe
When you hold me in your embrace	Don't tear it down, what's left of me
Don't tear me down for all I need	Make my (5) a better place
Make my heart a better place	I tried many (6) but (7) was
Give me something I can believe	real
Don't tear me down	Make it fade away, don't (8) me down
You've opened the door now	Don't (9) me down for all I need
Don't let it close	Make my heart a better place
I'm (3) on the edge again	Don't tear it down, what's left of me
I wish I could let it go	Make my heart a better place
I (4) that I'm only one step away	Make my (10) a better place
