(Oh) You're so sexy, yo	Cause they'd a just been over it
I don't know, where you're going	Let em talk, let em talk

For one more chance to hold you close	Let em walk, let em walk
I (1) know, where you're going	Let em walk, let em walk
Just get your ass back home	We'll just drive by and keep waving
We both knew this type of life	'Cause you and I above all that
Didn't come with instructions	Just let them wallow in it
So I'm trying to do my best to make	Now they all choked up, yuck
Something out of nothing	'Cause they be swallowing it
And sometimes it (2) downright	I don't know, where you're going
Shitty in fact	Or when you're coming home
When you (3) and I don't know	I left the keys under the mat to our front door
What city I'm in at	For one more chance to hold you close
Or what day of the week	I don't know, where you're going
In the middle of the month	Just get your ass back home
In a year I (4) recall	No one hold me down like you do sweetheart
It's like my life's on repeat	You keep doing that, I (7) doing this
And the last time we spoke	We'll be alright in the end
I told you I wouldn't be long	Trust that
That was last November	We put the us in trust, baby
Now December's almost gone	Let's go
l'd apologize but I don't realize	I don't (8) what you're after
What I'm doing wrong	As long as I'm the one, no

Or when you're coming home	You'll (9) me when you're gone
I left the keys under the mat to our front door	I don't know, where you're going
For one more chance to hold you close	Or when (10) coming home
I don't know, where you're going	I left the keys under the mat to our front door
Just get your ass back home	For one more chance to hold you close
And you've been nothing but amazing	I don't know, where you're going
And I never take that for granted	Just get your ass back home
