## Ass Back Home by Gym Class Heroes & Neon Hitch

(Oh) You're so sexy, yo	'Cause they'd a just been over it
I (1) know, where you're going	Let em talk, let em talk
Or when you're coming home	Let em talk, let em talk
l left the keys under the mat to our front door	Like we don't hear what they saying
For one (2) (3) to hold you close	Let em walk, let em walk
I (4) know, where you're going	Let em walk, let em walk
Just get your ass back home	We'll just (19) by and (20) waving
We both knew this (5) of life	'Cause you and I above all that
Didn't come with instructions	Just let them (21) in it
So (6) trying to do my best to make	Now they all choked up, yuck
Something out of nothing	'Cause they be swallowing it
And (7) it gets downright	I don't know, where you're going
Shitty in fact	Or when you're coming home
When you call and I don't know	I left the (22) (23) the mat to our front
What city I'm in at	door
Or (8) day of the week	For one more chance to hold you close
In the middle of the month	I don't know, (24) you're going
In a (9) I don't recall	Just get your ass back home
It's (10) my life's on repeat	No one hold me down (25) you do sweetheart
And the last time we spoke	You keep doing that, I keep doing this
I told you I wouldn't be long	We'll be alright in the end
That was last November	Trust that
Now December's (11) gone	We put the us in trust, baby
I'd apologize but I don't realize	Let's go
What I'm doing wrong	I don't care what (26) after
I don't know, where you're going	As long as I'm the one, no
Or when you're (12) home	I don't care why you're leaving
l left the keys under the mat to our (13) door	You'll miss me when you're gone
For one more (14) to (15) you	I (27) know, where you're going
close	Or (28) (29) coming home
I don't know, where you're going	I left the keys under the mat to our front door
Just get (16) ass back home	For one more chance to hold you close
And you've been nothing but amazing	I don't know, where you're going
And I never (17) that for granted	Just get your ass back home
Half of these birds would have flew the coop	I'm home baby
But you, you truly understand it	
And the fact you stood beside me	
Every time you heard some bogusness	

## SUB inglés

- 1. don't
- 2. more
