

The applause, applause, applause

Fill in the gaps

I stand here waiting for	Give me that thing that I love
You to bang the gong	I'll turn the lights on
To crash the critic saying	Put your hands up, make 'em touch
"Is it right or is it wrong?"	Make it (6) loud (touch)
If only fame had an I.V.	Give me that thing that I love
Baby could I bear	I'll turn the lights on
Being away from you, I	Put your hands up, make 'em touch
Found the vein, put it in here	Make it real loud (touch)
I live for the applause, applause, applause	
I live for the applause-plause	Make it real loud
Live for the applause-plause	Put your hands up, make 'em touch, touch
Live for the way that you cheer	Make it real loud
And (1) for me	Put your hands up, make 'em touch, touch
The applause, applause	
Give me that thing that I love	Touch, touch
I'll turn the lights on	
Put your hands up, make 'em touch	Touch, touch now
Make it real loud (touch)	
Give me that thing that I love	I (7) for the applause, applause, applause
I'll (2) the lights on	I live for the applause-plause
Put your hands up, make 'em touch	Live for the applause-plause
Make it (3) loud (touch)	Live for the way that you chee
	And scream for me
Make it real loud	The applause, applause
Put your hands up, make 'em touch, touch	Give me (8) thing that I love
	I'll turn the lights on
Make it real loud	Put your hands up, make 'em touch
Put your hands up, make 'em touch, touch	Make it real loud (touch)
I've overheard your theory	Give me (9) thing that I love
"Nostalgia's for geeks"	I'll turn the lights on
I guess sir, if you say so	Put (10) hands up, make 'em touch
Some of us just like to read	Make it real loud (touch)
One second I'm a Koons, then	
Suddenly the Koons is me	Make it real loud
Pop culture was in art	Put your hands up, make 'em touch
Now art's in pop (4) in me	Make it real loud
I (5) for the applause, applause, applause	Make it real loud
I live for the applause-plause	Put your hands up, make 'em touch, touch
Live for the applause-plause	A-R-T-P-O-P
Live for the way that you cheer	
And scream for me
