

Fill in the gaps

Oh my goodness, I can't hide it	My head just can't (6) me down
You just smiled (1) you walked by me (oh)	And I don't care
My goodness	If you don't break my fall
Warning (2) that no one showed me	You got me dreaming of a life that
Lost control but please don't hold me back	Anybody else (7) die for
Gonna go for it	(Oh) baby
I hope your ready for it	Anybody else would die for
(Oh oh)	First sight I believed in first sight
Cause I don't know (I don't know)	No second (8) in my mind (9)
If I can stop now (if I can (3) now)	felt right
I'm going too fast, (4) first	(Oh)
My head just can't slow me down	My goodness
And I don't care	(Oh)
If you don't break my fall	'Cause I don't know
You got me dreaming of a life that	If I can stop now
Anybody else would die for	I'm going too fast, heart first
I'm rolling (5) hill, no breaks	My head just can't slow me down
Can't go back now, it's too late (oh)	And I don't care
It's too late to look away	If you don't break my fall
And unfeel what I feel for you look away	You got me dreaming of a life that
And unsee what I see in you	Anybody else would die for
I gonna go for it	(Anybody else)
I hope you ready cause	You got me dreaming of a life that
I don't know (I don't know)	Anybody else would die for
If I can stop now (if I can stop now)	Anybody else would die for
I'm going too fast, heart first	

- 1. when
