

Fill in the gaps

Oh my goodness, I can't hide it	My head (17) can't slow me down
You just smiled when you walked by me (oh)	And I don't care
My goodness	If you don't break my fall
Warning signs (1) no one showed me	You got me (18) of a life that
Lost control but (2) don't hold me back	Anybody else would die for
Gonna go for it	(Oh) baby
I (3) (4) ready for it	Anybody else would die for
(Oh oh)	First sight I believed in first sight
Cause I don't know (I don't know)	No second (19) in my (20)
If I can stop now (if I can stop now)	(21) felt right
I'm going too fast, (5) first	(Oh)
My head just can't (6) me down	My goodness
And I don't care	(Oh)
If you don't break my fall	'Cause I don't know
You got me dreaming of a life that	If I can stop now
Anybody else would die for	I'm going too fast, (22) first
I'm (7) hill, no breaks	My (23) (24) can't slow me down
Can't go (9) now, it's too (10) (oh)	And I don't care
It's too (11) to look away	If you don't break my fall
And unfeel what I feel for you (12) away	You got me dreaming of a life that
And unsee what I see in you	Anybody (25) (26) die for
I gonna go for it	(Anybody else)
I hope you (13) cause	You got me dreaming of a life that
I don't know (I don't know)	Anybody else would die for
If I can (14) now (if I can (15) now)	Anybody else would die for
I'm (16) too fast, heart first
