Fallen Kingdom (Parody) by Capitan Sparklez & TryHardNinja

I used to rule the world	I tried all that I could to stay and fight
Chunks (1) (2) when I gave the word	As the undead roamed the street
Now every night I go stow away	Families broken at my feet
Hide from the mobs I used to slay	Life (6) suspended by a thread
They once were terrified	(Oh) why is it that I wasn't dead
Every time I looked (3) their eyes	I gaze off into the boundless skyline
Villagers would cheer my way	Noteblock choirs playing in the sunshine
For a hero I was, that's what they'd say	Turn 'round pick up my (7) and wield
One minute we had it all	The blade that once forced evil mobs to yield
Next our world began to fall	If this battle should (8) me slain
Away from all that it had once become	I know Herobrine will call my name
They all cried for my help, but I stood there numb	Better to take a stand
I gaze off into the boundless skyline	And that was when I ruled the land
Noteblock choirs playing in the sunshine	I gaze off into the boundless skyline
Turn 'round pick up my sword and wield	Noteblock (9) playing in the sunshine
The blade that once forced evil mobs to yield	Turn 'round pick up my sword and wield
And hope one day that this chaos and	The blade that once forced evil mobs to yield
Destruction turns for the better	If this battle should make me slain
Never a bow in hand	I know Herobrine will call my name
And that was (4) I ruled the land	Better to take a stand
There was the creepers and skeletons	And that was (10) I ruled the land
Blew down the doors and (5) us in
