

## Fill in the gaps

	So don't roll up when they're (7) m	ny song
Honestly, why are my clothes out on the street?	Don't act right when you know you're dead wrong	
Honestly, I think you've lost your mind	You're out of line, out of line tonight	
I can't believe I came (1) to find my car keyed	I'm undercover, you can drop that bomb	
Honestly, I'm way too tired to fight	It's a little too late cause I'm already gone	
Round and (2) drama every time	I'm already gone	
Ima go 'cause I got no		
Problem with saying goodbye	Honestly you did it to yourself	
Is it wrong that I'm gonna be	So don't blame me	
Having the time of my life	Ima go 'cause I got no	
'Cause deep (3) I know	Problem with saying goodbye	
I should cry, I should scream	Is it wrong that I'm gonna be	
And get down on my knees	Having the time of my life	
I should say that I need you here	'Cause deep down I know	
But I'm (4) party tonight	I should cry, I should scream	
'Cause honestly I just don't care	And get down on my knees	
	I should say that I need you here	
Honestly I just don't care	But I'm gonna party tonight	
	Ima go 'cause I got no	
Honestly everybody's stoked I'm finally free	Problem with saying goodbye	
Honestly my phone's blowing up tonight	Is it wrong that I'm gonna be	
I'll go out get drunk again	Having the time of my life	
Make out with all your dumb friends	'Cause deep down I know	
Tag your face (5) to rub it in	I should cry, I should scream	
Ima go 'cause I got no	And get down on my knees	
Problem with saying goodbye	I should say that I need you here	
Is it wrong that I'm gonna be	But I'm gonna party tonight	
Having the time of my life	'Cause (8) I just don't care	
'Cause deep (6) I know		
I should cry, I should scream	Honestly I (9) don't care	
And get down on my knees		
I should say that I need you here	'Cause honestly I just don't care	
But I'm gonna party tonight	Honestly I just don't care	
'Cause honestly I just don't care		
Honestly I just don't care		

- 1. home
- 2. round
- 3. down
- 4. gonna
- 5. just
- 6. down
- 7. playing
- 8. honestly
- 9. just
