This I Promise You by Ronan Keating

My love	'Cause I (14) (15) cry now
Here I (1) (2) you	This is forever
I am (3) now	I make this vow to you
From (4) moment on	And (16) I look in your eyes
Take my hand	All of my (17) is before me
Only you can stop me shaking	(Oh oh)
We'll (5) forever	And I'm not (18) anymore
This I promise you	'Cause I already (19) I'm home
And (6) I look in your eyes	With every (20) of my heart
All of my life is (7) me	I'll give you my love completely
And I'm not running anymore	My darling
'Cause I (8) know I'm home	This I (21) you
With every beat of my heart	My darling
I'll (9) you my (10) completely	This I promise
My darling	You
This I (11) you	This I promise you
My love	(Oh) I (22) you
I can (12) your heartbeat	l (23) you
As we (13) now	This I promise
Closer than before	You
Don't let go	
Don't let go
