Over My Head (Cable Car) by The Fray

I never knew		Over my head, over my head
I never knew that everything was falling through		With eight seconds left in overtime
That (1)	I knew was waiting on a queue	She's on your mind, she's on (oh)
To turn and run (2)	all I needed was the truth	Suddenly, I become a part of your past
But that's how it's gotta be		I'm becoming the part that don't last
It's coming down to nothing more (3) apathy		I'm (7) you and it's effortless
I'd rather run the other way than stay and see		Without a sound
The smoke and who's still standing when it clears and		We lose sight of the ground in the throw around
Everyone knows I'm in		Never thought that you wanted to bring it down
Over my head, over my head		I won't let it go down 'till we (8) it ourselves and
With eight seconds left in overtime		Everyone knows I'm in over my head
She's on (4) mind, she's on your mind		Over my head
Let's rearrange		With eight seconds left in overtime
I (5) you were a stranger I could disengage		She's on your mind, she's on your mind
Just say that we agree and then never change		Everyone knows
Soften a bit until we all just get along		That she's on your mind
That's disregard		Everyone knows I'm in over my head
Find another friend and you discard		I'm in over my head, I'm over my
As you lose the argument in the cable car		Everyone knows I'm in
Hanging above as the can	yon (6) between and	Over my head, (9) my head
Everyone knows I'm in		With eight seconds left in overtime
Over my head, over my head		She's on your mind, she's on your mind
With eight seconds left in overtime		
She's on your mind, she's on your mind		
Everyone knows I'm in
