

Fill in the gaps

Over My Head (Cable Car) by The Fray

I never knew	Over my head, (15) my head
I never knew that (1) was falling	With eight (16) in overtime
through	She's on your mind, she's on (oh)
That (2) I knew was	Suddenly, I become a (18) of your past
(3) on a queue	I'm becoming the part (19) don't last
To turn and run when all I needed was the truth	I'm losing you and it's effortless
But that's how it's gotta be	Without a sound
It's coming down to nothing more than apathy	We lose sight of the ground in the (20) around
I'd rather run the other way (4) (5) and	Never (21) that you wanted to bring it down
see	I won't let it go down 'till we torch it (22)
The smoke and who's still standing when it clears and	and
Everyone knows I'm in	Everyone knows I'm in over my head
Over my head, (6) my head	Over my head
With eight seconds left in overtime	With eight (23) (24) in overtime
She's on your mind, she's on your mind	She's on your mind, she's on your mind
Let's rearrange	Everyone knows
I (7) you were a stranger I could disengage	That she's on your mind
Just say that we agree and then (8) change	Everyone knows I'm in over my head
Soften a bit until we all just get along	I'm in over my head, I'm over my
That's disregard	Everyone knows I'm in
Find another (9) and you discard	Over my head, over my head
As you lose the (10) in the	With eight seconds left in overtime
(11) car	She's on your mind, she's on your mind
Hanging above as the (12) (13)	
between and	
Everyone knows I'm in	
Over my head, over my head	
With eight (14) left in overtime	
She's on your mind, she's on your mind	
Everyone knows I'm in
