

Fill in the gaps

Over My Head (Cable Car) by The Fray

I never knew

I never knew that everything was (1)_____ through

That everyone I knew was waiting on a queue

To turn and run when all I needed was the truth

But that's how it's gotta be

It's coming down to nothing more than apathy

I'd rather run the (2)_____ way than stay and see

The smoke and who's still standing when it clears and

Everyone knows I'm in

Over my head, (3)_____ my head

With eight seconds left in overtime

She's on your mind, she's on (4)_____ mind

Let's rearrange

I wish you were a (5)_____ I could disengage

Just say (6)_____ we agree and then never change

Soften a bit until we all just get along

That's disregard

Find another friend and you discard

As you lose the argument in the cable car

Hanging above as the canyon comes between and

Everyone knows I'm in

Over my head, over my head

With eight (7)_____ left in overtime

She's on your mind, she's on your mind

Everyone knows I'm in

Over my head, over my head

With eight (8)_____ left in overtime

She's on your mind, she's on... (oh)

Suddenly, I become a part of your past

I'm becoming the part that don't last

I'm losing you and it's effortless

Without a sound

We lose sight of the ground in the throw around

Never thought that you wanted to bring it down

I won't let it go down 'till we torch it ourselves and

Everyone knows I'm in over my head

Over my head

With eight seconds left in overtime

She's on your mind, she's on your mind

Everyone knows

That she's on your mind

Everyone knows I'm in over my head

I'm in over my head, I'm over my...

Everyone knows I'm in

Over my head, over my head

With eight seconds left in overtime

She's on your mind, she's on your mind
