

Fill in the gaps

Breathe again by Sara Bareilles

Car is parked		He's the air I would kill to breathe	
Bags are packed		Holds my love in his hands	
But (1) kind of (2)	doesn't look back	Still I'm searching for something	
At the comfortable glow from the porch		Out of breath	
The one I will still call yours?		I am left hoping someday	
All those words came undone		I'll (8) again	ı
And now I'm not the only one		It hurts to be here	
Facing the ghosts that decide		I only wanted love from you	
If the fire inside still burns		It hurts to be here	
All I have, all I need		What am I gonna do?	
He's the air I (3)	kill to breathe	All I have, all I need	
Holds my love in his hands		He's the air I (9)	kill to breathe
Still I'm searching for something		Holds my love in his hands	
Out of breath		Still I'm searching	
I am left hoping someday		All I have, all I need	
I'll (4) again		He's the air I would kill to breathe	
I'll breathe again		Holds my love in his hands	
Open up next to you		Still I'm searching for something	
And my (5)	become (6) truth	Out of breath	
And the distance between		I am left hoping someday	
That was (7)	me comes in full view	I'll breathe again	
Hang my head, break my heart		l'II (10) agai	in
Built from all I have torn apart		I'll breathe again	
And my burden to bear		I'll breathe again	
Is a love I can't carry anymore			
All I have, all I need
