

## Fill in the gaps

Car is parked	He's the air I would kill to breathe
Bags are packed	Holds my love in his hands
But (1) kind of heart doesn't look back	Still I'm searching for something
At the comfortable (2) from the porch	Out of breath
The one I will still call yours?	I am left (13) someday
All those words came undone	l'II (14) again
And now I'm not the only one	It (15) to be here
Facing the (3) (4) decide	I only wanted love (16) you
If the fire inside still burns	It hurts to be here
All I have, all I need	What am I (17) do?
He's the air I would (5) to breathe	All I have, all I need
Holds my love in his hands	He's the air I would (18) to breathe
Still I'm searching for something	Holds my (19) in his hands
Out of breath	Still I'm searching
I am left (6) someday	All I have, all I need
I'll breathe again	He's the air I would kill to breathe
I'll breathe again	Holds my love in his hands
Open up (7) to you	Still I'm (20) for something
And my (8) become your truth	Out of breath
And the distance between	I am (21) (22) someday
That was (9) me comes in full view	I'll breathe again
Hang my head, (10) my heart	I'll breathe again
Built from all I have torn apart	I'II (23) again
And my burden to bear	I'll breathe again
Is a (11) I can't (12) anymore	
All I have, all I need
