

## Fill in the gaps

So close no matter how far			
couldn't be much more from the heart			
forever trusting who we are			
and nothing else matters			
never opened myself this way			
life is ours, we (1) it our way			
all these words I don't just say			
and nothing else matters			
trust I (2) and I find in you			
every day for us something new			
open mind for a different view			
and nothing (3) matters			
never cared for what they do			
never cared for (4) they know			
but I know			
so close no matter how far			
couldn't be much more from the heart			
forever trusting who we are			
and nothing (5) matters			
never cared for what they do			
never cared for what they know			

Dut I know

and (7)	else r	natters		
never (8)	for what	(9)	say	
never (10)	for gam	es they play		
never cared for what they do				
never cared for what they know				
and I know				
so close no matter how far				
couldn't be much more from the heart				
forever trusting who we are				
no nothing else matters
