What About Love by Austin Mahone

What about love?

Fill in the gaps

I, I'm (1)	your thunder	What about us 'til we end?
The storm's getting closer		What about love?
This rain is like fire		You cut my wings, now I am falling
And my, my world's going under		What about love?
And I can't remember		What about love?
The reason that you got off the line		(Uh-uh-uh)
You're moving on, you say		What about, what about love?
Here I stay		(Uh-uh-uh)
I'll take this pain, yeah		What about, what about love?
I can, I can		(Uh-uh-uh)
But what about love?		What about, what about love?
What about our promises?		(Uh-uh-uh)
What about love?		What about, what about love?
You take it all and (2) me nothing		You're moving on, you say
What about love?		Here I stay
What about us 'til we end?		Watching every night get colder
What about love?		You're moving on, you say
You cut my wings, now I am falling		Here I stay
What about love?		I'll tale this pain, yeah
What about love?		I can, I can
Why are you colder than winter?		But what about love?
You're switching the picture		What about our promises? yeah
You used to be perfect (yeah)		What (7) love?
Once you're hot like the summer		You (8) it all and leave me nothing
Please (3) me remember		What about love?
The reason (4) you said "bye, bye, bye"		What about us 'til we end?
You're moving on, you say		What (9) love?
Here I stay		You cut my wings, now I am falling
l'II (5)	(6) pain, yeah	What (10) love?
I can, I can		What about, what about love?
But what about love?		What about, what about love?
What about our promises?		What about, what about love?
What about love?		What about, what about love?
You take it all and	leave me nothing
