My (1) is Olly nice to meet you	Break it down now
Can I tell you baby	Shake it like that
Look around there's a whole lot of pretty ladies	Now bring it all back
But not like you, you shine so bright	To dance with me tonight
Yeah	One more time, one (9) time
I was wondering if you and me could (2) a	Come on now
minute	Do your thing
On the floor up and close getting lost in it	Everybody sing
I won't (3) up without a fight	I just want you to dance with me tonight

Go with it girl, yeah just close your eyes	Girl just close your eyes
Yeah	We can dance all through the night
I feel the music moving through your body	I just want you to dance with me tonight
Looking at you I can tell you want me	So come on
Don't stop keep moving till the morning light	Everybody just close your eyes
Yeah	Come on darling
