You're Not Alone by Mads Langer

In a way it's all a matter of time

Fill in the gaps

I will not worry for you – you will be just fine
Take my thoughts (1) you, and when you look behind
You will surely see a face that you recognize, yeah yeah
You're not alone, I'll wait till the end of time
Open your mind, surely it's plain to see
You're not alone, I'll wait till the end of time for you
Open (2) mind, surely it's time to be (3) me
It is the distance (4) makes (5) a little hard
Two minds that once were close; now so many miles apart
I will not falter though, I'll hold on till you're home, yeah yeah
Safely back where you belong, and see how our (6) has grown
You're not alone, I'll wait till the end of time
Open your mind, surely it's plain to see
You're not alone, I'll (7) till the end of time for you
Open your mind, surely it's (8) to be (9) me
You're not alone, surely it's time to be with me
Open your mind, yeah
You're not alone – oh, I'll wait till the end of time for you
Open your (10) – open your mind, yeah yeah
