

## Fill in the gaps

Lately I've been seeing things
Belly button piercings
In the sky at night
When we're side by side
And I don't (1) to rain
On anybody's cabriolet
One of (2) games you're going to lose
But you (3) to play it (4) in case
Now it's getting dark and the sky looks sticky
More (5) black treacle than tar
Black treacle
Somebody told the stars
You're not coming out tonight
And so they found a place to hide
Does it help you stay up late?
Does it help you concentrate?
Does it tune you in when you chew your chin?
Am I ruining (6) fun?
And you talk the talk alright
But do you walk the walk or catch the train?
You wanted it, you got it

But you don't want it now		
Now it's (7) dark an	d the sky looks sticky	
More like black (8)	than tar	
Black treacle		
Somebody (9) the stars		
You're not coming out tonight		
And so they found a place to hide		
And now I'm out of place		
And I'm not (10) an	y wiser	
I feel like the sundance kid		
Behind a synthesizer		
And I tried last night to pack away a laugh		
Like a key under the mat		
But it never seems to be there		
When you want it		
Black treacle		
Black treacle		
Black treacle
