

Fill in the gaps

Lately I've been seeing things	But you don't want it now
Belly (1) piercings	Now it's getting (11) and the sky looks sticky
In the sky at night	More (12) (13) treacle than tar
When we're (2) by side	Black treacle
And I don't mean to rain	Somebody told the stars
On anybody's cabriolet	You're not coming out tonight
One of those games you're (3) to lose	And so (14) (15) a place to hic
But you want to play it just in case	And now I'm out of place
Now it's getting dark and the sky looks sticky	And I'm not getting any wiser
More like black treacle (4) tar	I (16) like the (17) kid
Black treacle	Behind a synthesizer
Somebody told the stars	And I tried last night to pack (18) a laugh
You're not coming out tonight	Like a key (19) the mat
And so they (5) a place to hide	But it (20) to be there
Does it help you (6) up late?	When you want it
Does it help you concentrate?	Black treacle
Does it tune you in (7) you (8) your	Black treacle
chin?	Black treacle
Am I ruining your fun?	
And you (9) the talk alright	
But do you walk the (10) or catch the train?	
You wanted it, you got it
