

Fill in the gaps

Ripped Jeans, only drinks whiskey	She don't know what she has so I'll be
I find him by the fire	Sittin' here, tryin' hold down my whiskey
While his girl was getting frisky (oh)	Tell your girl good night
I say we go this road tonight	'Cause somebody'd like to kiss me (oh)
He smiles, his arms (1) her	Be my All-American boy tonight
But his eyes are holdin' me	Where everyday's the 4th of July
Or just a captive to his wonder (oh)	It's alright, alright
I say we go this road tonight	And we can keep this up 'til the morning light
And now I know (2) that's your girl	And you can hold me deep in your eyes
I (3) no disrespect	And it's alright, alright
The way that shirt hugs you chest boy	So be my, be my
I just won't forget	All-American boy
I'll be sittin' here, (4) my whiskey	Of all the girls and boys to look my way
I won't say goodnight	Ain't nobody ever hit me this way
Unless I think you might (5) me (oh)	So won't you come back with me
Be my All-American boy tonight	And lay with me a while
Where everyday's the 4th of July	I'm gonna (9) you out of them clothes
And it's alright, alright	Leave that beautiful body exposed
And we can keep this up 'til the morning light	And you can have my heart
And you can hold me deep in your eyes	And my soul and my body
It's alright, alright	(Oh) be mine
So be my, be my	
All-American boy	Be my All-American boy tonight
Ripped jeans, tight shirt	Baby you light my fire
He (6) a cigarette	I'll make you (10) alright, alright
You know I'm glad (7) she can't stand it (oh)	And we can keep this up 'til the morning light
I drink the moonlight from his eyes	And you can hold me deep in your eyes
Now hold there, just a moment	And it's alright, alright
I want to take this in now	So, be my, be my
We don't need no photo of it, no	Just be my, be my
We (8) go this road tonight	All-American boy
Now I know that that's your girl	
And I don't give a damn	
She's been cursin' and cryin'
