Tighten Up by The Black Keys

Fill in the gaps

	Please snow me now
I wanted love	(Oh) show me how
I (1) love	To get right
Most of all	Yes, out of sight
Most of all	When I was young
Someone said true love was dead	And moving fast
And I'm bound to fall	Nothing slowed me down
Bound to fall	(Oh) slowed me down
For you	Now I let the (6) pass
(Oh) what can I do?	I've come around
Yeah	(Oh) come around
Take my (2) but my (3) remains	'Cause I've found
Lovin' you	
Baby child	Living just to keep going
Tighten up	Going just to stay sane
On your reigns	All the while never knowing
You're runnin' wild	It's such a shame
Runnin' wild	I don't need to get steady
It's true	I (7) just how I feel
Sick for days in so (4) ways	I'm (8) you to get ready
I'm achin' now	My dear
I'm achin' now	
It's (5) like these I need relief	

- 1. needed
- 2. badge
- 3. heart
- 4. many
- 5. times
- 6. others
- 7. know
- 8. telling
