Love The Way You Lie by Eminem

Just gonna stand the	re	
And (1)	me burn	
But that's alright		
Because I like		
The way it hurts		
Just gonna stand the	re	
And hear me cry		
But that's alright		
Because I love		
The way you lie		
I love the way you lie		
I love the way you lie		
I can't tell you what it	(2)	_ is
I can only tell you wha	at it feels like	
And right now there's	a steel knife	
In my windpipe		
I can't breathe		
But I (3)	fight	
While I can fight		
As long as the wrong	feels right	
It's like I'm in flight		
High of a love		
Drunk from the hate		
It's like I'm huffing pai	int	
And I (4) i	t the more (5)	I suffer
I sufficate		
And right before im al	bout to drown	
She (6)		me
She fucking (7)	me	

Wait Where you going I'm leaving you No you ain't Come back We're running right back Here we go again It's so insane Cause (8)_____ it's going good It's going great I'm Superman With the wind in his bag She's Lois Lane But when it's bad It's awful I feel so ashamed I snap Who's that dude I don't even know his name I laid hands on her I'll never stoop so low again I guess I don't know my own strength Just gonna stand there And watch me burn But that's alright

Because I like

The way it hurts

And hear me cry

Just gonna stand there

But that's alright

Because I love
The way you lie
I love the way you lie
I love the way you lie
You ever (9) somebody so much
You can barely breathe
When you're with them
You meet
And neither one of you
Even (10) what hit 'em
Got that warm (11) feeling
Yeah them chills
Used to get 'em
Now you're getting fucking sick
Of looking at 'em
You swore you've never hit 'em
Never do nothing to (12) 'em
Now you're in each other's face
Spewing venom
And (13) words
When you spit 'em
You push
Pull each other's hair
Scratch, claw, bit 'em
Throw 'em down
Pin 'em
So lost in the moments
When you're in 'em

It's the rage that took over

It controls you both

it controls you both
So they say it's best
To go your (14) ways
Guess that (15) don't know ya
Cause today
That was yesterday
Yesterday is over
It's a different day
Sound like broken records
Playin' over
But you (16) her
Next time you'll (17) restraint
You don't get another chance
Life is no Nintendo game
But you lied again
Now you get to watch her leave
Out the window
Guess that's why they call it window pane
Just gonna stand there
And watch me burn
But that's alright
Because I like
The way it hurts
Just gonna (18) there
And hear me cry
But that's alright
Because I love
The way you lie

I (19)_____ the way you lie

I love the way you lie

Now I know we said things
Did things
Ç
That we didn't mean
And we fall back
Into the same patterns
Same routine
But your temper's just as bad
As (20) is
You're the same as me
But when it comes to love
You're just as blinded
Baby please come back
It wasn't you
Baby it was me
Maybe our relationship
Isn't as crazy as it seems
Maybe that's what happens
When a tornado meets a volcano
All I know is
I love you too much
To walk away though
Come inside
Pick up your bags off the sidewalk
Don't you hear sincerity
In my voice (21) I talk
Told you this is my fault

Look me in the eyeball

Next time I'm pissed

I'll aim my fist

At the dry wall

Fill in the gaps

There will be no next time I apologize Even though I know it's lies I'm (22)_____ of the games I just want her back I know I'm a liar If she ever (23)_____ to (24)_____ leave again I'mma tie her to the bed And set the house on fire Just gonna stand there And (25)_____ me burn But that's alright Because I like The way it hurts Just gonna stand there And hear me cry But that's alright Because I love The way you lie I love the way you lie
