R U Mine? by Arctic Monkeys

Fill in the gaps

•••	Well, are you mine?
I'm a puppet on a string	(Are you mine tomorrow?)
Tracy Island, time-traveling diamond	Are you mine?
Coulda shaped heartaches	(Or just (6) tonight?)
Come to find ya fall in some velvet morning	Are you mine?
Years too late	(Are you mine? Mine?)
She's a silver lining lone (1) riding	And the (7) of the chase (8) in
Through an open space	mysterious ways
In my mind when she's not right there beside me	So in case I'm mistaken
I go crazy 'cause here isn't where I wanna be	I just wanna hear you say you got me baby
And satisfaction feels like a (2) memory	Are you mine?
And I can't help myself	She's a silver lining lone ranger riding
All I wanna hear her say is "Are you mine?"	Through an open space
Well, are you mine?	In my mind when she's not right there beside me
Are you mine?	I go crazy 'cause here isn't where I wanna be
Are you mine?	And satisfaction (9) like a distant memory
	And I can't help myself
I guess what I'm trying to say	All I wanna hear her say is "Are you mine?"
Is I need the (3) end keep imagining meeting	Well, are you mine?
Wished (4) entire lifetimes	(Are you mine tomorrow?)
Unfair we're not somewhere misbehaving for days	Are you mine?
Great (5) lost track of time and space	(Or just mine tonight?)
She's a silver lining climbing on my desire	Are you mine?
And I go crazy 'cause here isn't where I wanna be	(Are you mine tomorrow)
And satisfaction feels like a distant memory	(Or just (10) tonight?)
And I can't help myself	
All I wanna hear her say is "Are you mine?"
