The View From The Afternoon by Arctic Monkeys

Anticipation has a habit to set you up	And there's (2) and (3) sat in
For disappointment in evening entertainment but	her inbox
Tonight there'll be some love	And all that it says is (4) you've drank a lot
Tonight there'll be a ruckus yeah	You should bear that in mind tonight
Regardless of what's gone before	Bear that in mind
I want to see all of the things	Yeah you should bear that in mind tonight
That we've already seen	Bear that in mind
The lairy girls hung out	You can pour your heart out
The window of the limousine	But her reasoning (5) block
And of course its fancy dress	Ought you (6) her after nine o'clock
And they're all looking quite full on	Anticipation has a habit to set you up
In bunny ears and (1) horns in hell	For disappointment in evening entertainment but
Anticipation has a habit to set you up	Tonight there'll be some love
For disappointment in evening entertainment but	Tonight there'll be a ruckus yeah
Tonight there'll be some love	Regardless of what's gone before
Tonight there'll be a ruckus yeah	And she won't be surprised
Regardless of what's gone before	And she won't be shocked
I want to see all of the things	When she's pressed the star
That we've already seen	After she's pressed unlock
I want to see you take the jackpot	And (7) (8) and chapter
Out the fruit machine	sat in her inbox
And put it all back in	And all (9) it says is (10) you've drank a
You've got to understand it	lot
You can never beat the bandit, no	You should bear that in mind tonight
And she won't be surprised	Bear that in mind
And she won't be shocked	Yeah you should bear that in mind tonight
When she's pressed the star	Bear that in mind
After she's pressed unlock	You can pour your heart out around 3 o clock
