The View From The Afternoon by Arctic Monkeys

Anticipation has a habit to set you up	And there's verse and chapter sat in her inbox
For disappointment in evening entertainment but	And all that it says is that you've drank a lot
Tonight there'll be some love	You should bear that in (4) tonight
Tonight there'll be a ruckus yeah	Bear (5) in mind
Regardless of what's gone before	Yeah you (6) bear that in mind tonigh
I want to see all of the things	Bear that in mind
That we've already seen	You can (7) your heart out
The lairy girls hung out	But her reasoning will block
The (1) of the limousine	Ought you send her after nine o'clock
And of course its fancy dress	Anticipation has a habit to set you up
And they're all looking quite full on	For disappointment in evening entertainment but
In bunny ears and devil horns in hell	Tonight there'll be some love
Anticipation has a habit to set you up	Tonight there'll be a ruckus yeah
For disappointment in evening entertainment but	Regardless of what's gone before
Tonight there'll be some love	And she won't be surprised
Tonight there'll be a ruckus yeah	And she won't be shocked
Regardless of what's gone before	When (8) pressed the star
I want to see all of the things	After she's pressed unlock
That we've already seen	And there's verse and chapter sat in her inbox
I want to see you take the jackpot	And all that it says is that you've (9) a lo
Out the fruit machine	You should bear that in (10) tonight
And put it all (2) in	Bear that in mind
You've got to understand it	Yeah you should bear that in mind tonight
You can never beat the bandit, no	Bear that in mind
And she won't be surprised	You can pour your heart out around 3 o clock
And she won't be shocked	When the 2 for 1's undone the writers block
When sho's (2) the star
