Do I Wanna Know by Arctic Monkeys

Have you got colour in your cheeks	Of (4) to kiss you
Do you ever get that fear that you can't	But I don't know if you
Shift the tide that sticks around like	Feel the (5) as I do
(Summat) in your teeth	But we could be together
Are there some aces up your sleeve	If you wanted to
Have you no idea that you're in deep	(Do I wanna know)
I dreamt about you nearly	If this feeling flows both ways
Every night this week	(Sad to see you go)
How many secrets can you keep	Was sort of hoping that you'd stay
'Cause there's this tune I've found	(Baby, we both know)
That makes me think of you somehow	That the nights were (6) made
And I play it on repeat	For saying things that you can't say tomorrow day
Until I fall asleep	Crawling back to you (crawling back to you)
Spilling drinks on my settee	Ever thought of calling when
(Do I wanna know)	You've had a few (you've had a few)
If this feeling flows both ways	'Cause I always do ('cause I always do)
(Sad to see you go)	Maybe I'm too (maybe I'm too busy)
Sort of (1) that you'd stay	Busy (7) yours to fall for somebody new
(Baby, we both know)	Now I've thought it through
That the nights were mainly made	Crawling back to you (do I wanna know)
For (2) things that you can't say tomorrow day	If this feeling flows both ways
Crawling back to you	(Sad to see you go)
Ever thought of calling when	Was sort of hoping that you'd stay
You've had a few	(Baby, we both know)
'Cause I always do	That the nights were mainly made
Maybe I'm too	For saying things that you can't say tomorrow day
Busy being yours to (3) for somebody new	(Do I wanna know)
Now I've thought it through	Too busy being (8) to fall
Crawling back to you	(Sad to see you go)
So have you got the guts	Ever (9) of calling, darling
Been wondering if your heart's still open	(Do I wanna know)
And if so I wanna know what time it shuts	Do you want me crawling back to you
Simmer down and pucker up	
I'm sorry to interrupt
