## In My Darkest Hour by Megadeth

## Fill in the gaps

	Raise (11) head
In my hour of need	Raise (12) face, your eyes
(Ha) no, you're not there	Tell me who you (13) you are?
And though I reached out for you	I walk, I walk alone
Wouldn't (1) a hand	Into the promised land
Through the (2) hour	There's a better place for me
Grace did not shine on me	But (14) far, far away
Feels so cold, very cold	Everlasting life for me
No one cares for me	In a (15) world
Did you ever think I get lonely?	But I gotta die first
Did you (3) that I needed love?	Please God send me on my way
Did you ever think to stop thinking?	Time has a way of taking time
You're the (5) one that I'm thinking of	Loneliness is not only (16) by fools
You'll never know how hard I tried	Alone I call to (17) the pain
To find my space and satisfy you too	Yearning to be held by you
Things (6) be better, better	Alone so (18) I'm lost
When (7) dead and gone	Consumed by the pain
Don't try to understand, knowing you	The pain, the pain, the pain
I'm probably wrong	Won't you (19) me again
But (oh)	You just laughed, ha, ha, bitch
How I lived my life for you?	My whole (20) is (21) built on the past
Still you'd turn away	But the time has come when all (22) shall
Now as I die for you	pass
My flesh (8) crawls as I (9)	This good (23) passed away
(10) name	
All these years I thought I was wrong	
Now I know it was you
