

## Fill in the gaps

Down by the river by the boats	I (18) to the (19) on my own
Where everybody goes to be alone	To fall in the (20) just (21) a stone
Where you wont see any rising sun	Chilled to the (22) in them bones
Down to the river we (1) run	Why do I go (23) all alone
When by the water we (2) to the dregs	(Oh) my God I see
Look at the (3) on the (4) bed	How everything is torn
I can tell (5) (6) eyes	In the river deep
You've never been by the riverside	And I don't know why
Down by the (7) the riverbed	I go the way
Somebody calls you somebody says	Down by the riverside
Swim (8) the (9) and float away	(Oh) my God I see
Down by the (10) everyday	How everything is torn
(Oh) my God I see	In the river deep
How everything is torn	And I don't (24) why
In the (11) deep	I go the way
And I don't (12) why	Down by the riverside
I go the way	
Down by the riverside	Down by the riverside
When that old river (13) (14) your eyes	Down by the riverside
To wash off the dirt on the riverside	
Go to the water so (15) near	
The (16) will be your (17) and ears
