

## Fill in the gaps

So I got my boots on	But if I had you
Got the right amount of leather	That would be the only (6) I'd ever need
And I'm doing me up	Yeah, if I had you
With a black kohl eyeliner	Then money fame and fortune never could compete
And I'm working my strut	If I had you
But I know it don't matter	Life would be a party, (7) be ecstasy
All we need in this world is some love	Yeah if I had you
There's a thin line	You, you, you
Between the dark side	If I had
And the light side	The flashing of the lights
Baby tonight	It might (8) so good
It's a struggle	But I got you stuck on my mind
Gotta rumble	Yeah
Tryin' to find it	The flashing and the stage
But I had you	It might get me high
That would be the only thing I'd (1) need	But it don't mean a thing tonight
Yeah, if I had you	That would be the (9) thing I'd ever need
Then money fame and fortune never (2)	Yeah, if I had you
compete	Then money (10) and fortune never could compete
If I had you	If I had you
Life would be a party, it'd be ecstasy	Life would be a party it'd be ecstasy
Yeah, if I had you	Yeah, If I had you
You, you, you	You, you, you
If I had you (if I had you)	If I had you
From New York to LA	That would be the only thing I'd ever need
Getting high rock and rolling	Yeah, If I had you
Get a room trash it up	Then money fame and fortune never could compete
'Til (3) ten in the morning	(Never could compete with you)
Girls in stripper (4) boys	If I had you
Rolling in Maserati's	Life would be a party it'd be ecstasy
What they need in this world is some love	(It'd be ecstasy with you)
There's a thin line	If I had you
Between the wild time	You, you, you
And a flat-line (5) tonight	If I had you
It's a struggle	
Gotta rumble	
Tryin' to find it
