

Tryin' to find it

Fill in the gaps

So I got my (1) on	But if I had you
Got the right amount of leather	That would be the only thing I'd ever need
And I'm doing me up	Yeah, if I had you
With a black kohl eyeliner	Then money fame and fortune never could compete
And I'm working my strut	If I had you
But I know it don't matter	Life would be a party, it'd be ecstasy
All we (2) in this world is some love	Yeah if I had you
There's a thin line	You, you, you
Between the dark side	If I had
And the light side	The flashing of the lights
Baby tonight	It might feel so good
It's a struggle	But I got you stuck on my mind
Gotta rumble	Yeah
Tryin' to find it	The flashing and the stage
But I had you	It might get me high
That would be the only thing I'd ever need	But it don't mean a (4) tonight
Yeah, if I had you	That would be the (5) thing I'd ever need
Then money fame and fortune (3) could	Yeah, if I had you
compete	Then money (6) and fortune never could compete
If I had you	If I had you
Life would be a party, it'd be ecstasy	Life would be a party it'd be ecstasy
Yeah, if I had you	Yeah, If I had you
You, you, you	You, you, you
If I had you (if I had you)	If I had you
From New York to LA	That would be the only thing I'd ever need
Getting high rock and rolling	Yeah, If I had you
Get a room trash it up	Then money fame and (7) never could
'Til it's ten in the morning	compete
Girls in stripper heels boys	(Never (8) compete with you)
Rolling in Maserati's	If I had you
What they need in this world is some love	Life would be a (9) it'd be ecstasy
There's a thin line	(It'd be ecstasy with you)
Between the wild time	If I had you
And a flat-line baby tonight	You, you, you
It's a struggle	If I had you
Gotta rumble
