

## Fill in the gaps

(1) to start a revolution	reel the fire within
A (2) of personal solution	I (14) see you strut, strut, strut
Ne all have got our own pollution	C'mon walk for me
t's all about the execution	Strut, strut, strut
You got something to say, your (3) are tied	How you wanna be?
Open (4) mouth, open it wide	Everybody's (15) for some love
_et the freedom begin	But (16) don't know
Get on the floor, just let it drop	How to let it all (17) out?
Don't it feel good, (5) it (6) hot	And that's why they're solo, solo, solo
Feel the fire within	Don't want to be solo, solo, solo
wanna see you strut, strut, strut	Don't want to be solo
C'mon (7) for me	l'Il be your mirror
Strut, strut, strut	Darling, let your hair down
How you wanna be?	Show me what (18) working with
Everybody's looking for some love	And let me see you strut (strut, strut)
But (8) don't know	(Strut, strut)
How to let it all hang out?	How you (19) be?
And that's why they're solo, solo, solo	Everybody's (20) for (21) love
Don't wanna be solo, solo, solo	But (22) don't know
Don't wanna be solo	How to let it all hang out?
Ne're a complicated nation	And that's why they're solo, solo, solo
And now we're in a situation	I don't want to be solo, solo, solo
_et's take a make-believe vacation	Don't want to be solo
And get yourself (9) validation	Strut for me and show me (23)
You got something to say, your hands are tied	(24) working with
Open (10) mouth, open it wide	Strut for me and show me what you're working with
_et the (11) begin	
Get on the floor, just let it drop	
Don't it (12) good, don't it (13) hot
