

No matter what I say

Fill in the gaps

Better Than I Know Myself by Adam Lambert

Cold as ice	'Cause if I wanted to go I (14) have gone by now
And more (1) (2) a December	But I really need you near me to
Winter night	Keep my mind off the edge
That's how I (3) you	If wanted to (15) I would have left by now
And I know that I	But you're the only one that knows me
I (4) tend to lose my temper	Better (16) I know myself
And I cross the line	I get kind of dark
Yeah that's the truth	Let it go too far
I know it gets hard sometimes	I (17) be (18) at times
But I could never	But try and see my heart
Leave (5) side	'Cause I need you now
No matter what I say	So don't let me down
'Cause if I (6) to go I would have gone by now	You're the only (19) in this world
But I really (7) you near me to	I would die without
Keep my mind off the edge	'Cause if I wanted to go, I would have gone by now
If I wanted to leave I would have left by now	But I really need you (20) me to
But you're the only one that (8) me	Keep my mind off the edge
Better (9) I know myself	If I wanted to leave I (21) have (22)
All along	by now
I tried to pretend it didn't matter	But you're the only one that (23) me
If I was alone	Better than I know myself
Deep (10) I know	'Cause if I wanted to go I would have gone by now
If you were gone	But I really need you (24) me to
For (11) a day I wouldn't (12) which	Keep my (25) off the edge
way to turn	If I wanted to (26) I would have left by now
'Cause I'm lost without you	But You're the only one that knows me
I know it gets (13) sometimes	Better than I know myself
But I could never	
Leave your side
