

## Fill in the gaps

Yeah

In the darkest hole		
You'd be well advised		
Not to plan my funeral before the body dies		
Yeah		
Come the morning light		
It's a see through show		
What you may have heard		
And what you think you know		
Yeah		
Let the sun (1) blind your eyes		
Let me sleep so my teeth won't grind		
Hear a sound from a voice inside		
Sure to play a part, so you love the game		
And in truth your lies become one and same		
Yeah		
I could set you free, rather hear the sound		
Of your (2) as I take you		
down		

Hear a sound from a voice inside In the darkest hole You'd be well advised Not to plan my funeral before the body dies Yeah Let the sun never blind your eyes Let me (5) so my teeth won't grind Hear a sound from a (6) inside Let the sun never blind (7) eyes
